

### REMARKS

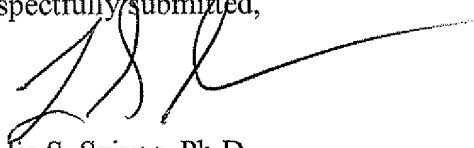

Favorable consideration and allowance of the claims of the present application are respectfully requested.

Applicants observe that Claims 1-6 and 8-11 are pending in this case and that Claims 19-32 have been withdrawn as being directed to a non-elected species.

In the previously submitted Response dated January 11, 2007, applicants noted that a copy of the article to H. Ishida et al. entitled "Modified Imidazoles: Degradation Inhibitors and Adhesion Promoters for Polyimide Films on Copper Substrates", J. Adhesion, Vol. 36, pp. 177-191 (1991) was not available. Applicants observe that the Ishida et al. article is discussed in paragraph 0014 of the originally filed application. Applicants have now obtained a copy of that article and enclose a copy of the same for the Examiner's consideration.

Wherefore, consideration and allowance of the claims is respectfully requested.

Respectfully submitted,
